

ACT TEST PREP CLASS APPLICATION

Winter 2026 Session

The **mission** of Hubbard Youth Coalition Inc. (HYC) is to assist the youth in our community in achieving success through academic achievement, health and physical development and community service.

The **vision** of HYC is to mentor and empower the youth of Hubbard to understand the importance of education, mentoring, and community service with the hope that as adults they will become servant leaders in their communities.

The **purpose** of HYC's ACT Test Prep Class is to provide preparation for those high school students planning to take the ACT, with the goal of improving composite scores overall. Many colleges and universities offer merit scholarships and awards based on academic achievement, and ACT test scores play a big role in determining these awards. We would like to see Hubbard students have every opportunity to receive more of these awards.

Class space is limited. Admission is based first on graduating class year, and then on the order in which applications are received. Class of 2027 students will be given priority placement into the class as they have a limited timeframe to prep and test before graduating.

Please email hubbardyouth@gmail.com if you have any questions.

Criteria & Eligibility for ACT Test Prep Class Applicants:

1. Applicant must be a current Hubbard, Ohio resident or actively enrolled in the HEVSD in Hubbard, Ohio.
2. Applicants must currently be in grade 9, 10, 11, or 12.
3. Incomplete applications (including missing signatures) will not be considered.
